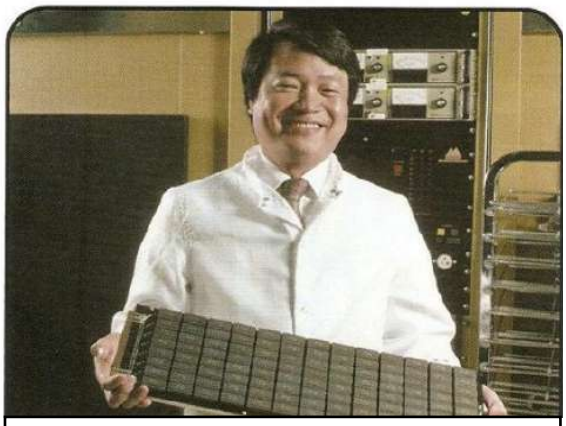
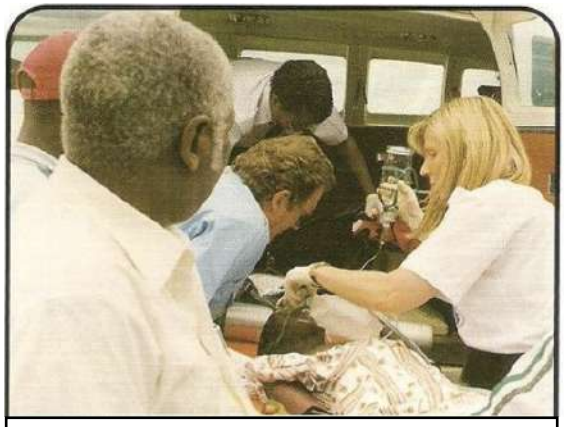
UNIT 3
The World of Work

1. 🎧 Listen and read about David and Pam.



David is a computer scientist. He comes from Taipei in Taiwan, but now he lives in the United States. He works three days a week for Golden Gate Computers in the small town of Lake Forest, California. He speaks three languages: Chinese, English, and Japanese. He's married and has a daughter. He likes playing tennis and riding his bicycle in his free time.

David Lee



Pam is a doctor. She's Canadian but now she lives in Nairobi, Kenya, in East Africa. She isn't an ordinary doctor—she's a flying doctor. Every day, from 8 A.M. to 10 A.M. she speaks to people on her radio, then she flies to help them. She works 16 hours a day nonstop but she loves her job. She isn't married. She has no free time.

SEAMUS McSPORRAN is a very busy man. He is 60 years old and he has 13 jobs. He is a mail carrier, a police officer, a fire fighter, a taxi driver, a school bus driver, a boatman, an ambulance driver, an accountant, a gas station attendant, a bartender, and an undertaker. Also, he and his wife, Margaret, have a shop and a small hotel.

Seamus lives and works on the island of Gigha /'giya/ in the west of Scotland. Only 120 people live on the island but in the summer 150 tourists come by boat every day.

Every weekday Seamus gets up at 6:00 and makes breakfast for the hotel guests. At 8:00 he drives the island's children to school. At 9:00 he gets the mail from the boat and delivers it to all the houses on the island. He also delivers beer to the island's only pub. Then he helps Margaret in the shop.

He says: "Margaret likes being busy; too. We never take vacations and we don't like watching television. In the evenings Margaret makes supper and I pay the bills. At 10:00 we have a glass of wine and then we go to bed. Perhaps our life isn't very exciting, but we like it."
